A Message From Wahnapiatae First Nation

As September opens, I find myself reminiscing on a full and beautiful summer season.

First and foremost, I want to express my heartfelt gratitude for the collective effort that made this year's Pow-Wow a resounding success. We are incredibly blessed to have a committee and Cultural Coordinator who put in countless hours to ensure we are able to celebrate our history and culture in such a joyous and heartfelt manner. Chi-miigwetch.

And thank you, again, for your patience during the ongoing road construction. Your understanding is greatly appreciated as we work to improve our community infrastructure.

Though it's hard to believe, it's school season once again. Please be mindful of school buses and children on the roads. Your careful driving helps keep our young ones safe as they return to the classroom.

With the start of the school year, our programming calendar is returning to full speed, too. Of special note is our Honour Walk, Ceremony, and Feast on Monday, September 30 for National Day for Truth and Reconciliation. Please join us as we recognize Every Child Matters on Orange Shirt Day/National Day for Truth and Reconciliation by starting our Honour Walk at 3:45 pm at Maan Doosh Gamig to our Pow-Wow grounds for a Water Ceremony. We'll then return to MDG for a Feast and activities.

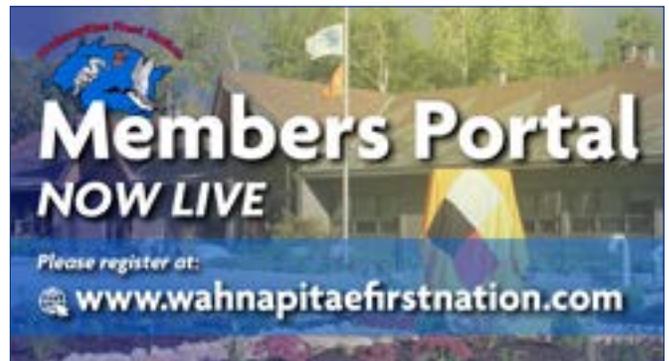

As you know, WFN is co-hosting this year's Robinson-Huron Treaty Annual Gathering with Atikameksheng Anishinawbek at Anderson Farm in Lively from September 7 to 9. The agenda of this year's event is full of panel discussions and talks from leaders across the Treaty territory about our lands, our language, and our next steps as Treaty Nations. And speaking from an insider's perspective, the evening entertainment on Sunday, September 8 is going to be FANTASTIC (and LOUD)!

Regarding the RHT settlement, we want to inform you that partial distributions were made to each First Nation on August 9, 2024. The remaining 50 percent of Priority 3, along with accrued interest, will be distributed at a later date. This will not impact PCDs. We are in ongoing discussions with the RHTLF and will keep you updated as new information becomes available.

Wishing you a wonderful start to the fall season.

Miigwetch,

Ogimaa Larry Roque

Biindigen New Team Members

Boozhoo!

My name is Nathan St-Germain, I am a Metis man who's family is from the Gogama Metis community. I recently graduated from the Social Service Work program at Cambrian College and am currently working towards my degree in Indigenous Social Work at Laurentian University.

Before accepting this position, worked closely with FNMI students at Confederation Highschool as the Indigenous Support Worker.

As the new Post-Secondary Support Counsellor, I am excited to work with everyone who continues on their path to post-secondary. I also plan to work with youth who will be graduating in the coming years to prepare them for the transition to post-secondary.

If you have any questions about your own path to post-secondary please feel free to email me at nathan.stgermain@wahnapietaefn.com or call me at 705-868-0610 ext.221. I am more than happy to answer any questions you might have!

Nathan St-Germain - Post Secondary Support Counsellor

Lily Doughty - Economic Development Specialist

I am a highly skilled Economic Development Specialist for Wahnapietae First Nation, with years of experience in fostering economic growth and development for First Nations across Northern Ontario. With a background in business, financial management, economics, I have dedicated my career to creating and implementing strategies that drive sustainable economic growth, proposal writing, attract investments, and improve community well-being.

Throughout my career, I have worked with government agencies, non-profit organizations, as well as private sector companies to identify economic opportunities and challenges, develop actionable plans, and execute initiatives that have resulted in measurable economic impact.

I hold a bachelor's degree in Business Administration and am currently working on obtaining my masters. I have also completed studies in Accounting, Bookkeeping, Project Management, as well as Human Resource Management.

Beyond my professional achievements, I am an active member of my community, volunteering with local business incubators and mentoring young professionals in the field. I am passionate about creating inclusive economic development opportunities that benefit all residents and committed to fostering resilient economies that can withstand the challenges of the future.
