# WARNING!

## DO NOT TOUCH THIS PLANT

# GIANT HOGWEED

**Health Risk:** Plant produces a clear, watery sap from leaves and stem. This sap contains a chemical which, when exposed to the sunlight, can cause symptoms ranging from redness and itching to severe burns and temporary or permanent blinding.

**What is Giant Hogweed?**

Giant Hogweed is a large, invasive non-native weed that resembles cow parsnip.

**Where is it found?**

Giant Hogweed thrives near streams, creeks, ditches, roads and in vacant lots, areas that are moist to wet. It has been found within the City of Greater Sudbury.

**Key Identifying features:**

- Height:** 1 – 5.5 metres (3' to 20')
- Stems:** hollow, ridged 4 -10 cm at the base with dark reddish-purple splotches and coarse white hair
- Leaves:** large with 3 deeply cut leaflets, irregular lobes and coarse, sharp teeth on all margins.
- Flower:** white, compound umbel (width of 80+ cm) made up of 4-12 smaller flat, round units.

If you find this plant, **DO NOT TOUCH IT!** Report the finding to your Supervisor immediately noting its location. **DO NOT ATTEMPT** to work in close proximity to this plant as the toxic sap can be absorbed through regular cotton or synthetic clothing.

**If you accidentally come into contact with Giant Hogweed:**

- **Report** it to your Supervisor
- **Use caution** when removing or handling any contaminated clothing
- **Thoroughly wash** affected area with soap and water and protect from exposure to sunlight
- **Seek** medical attention immediately.

**Only those Employees trained in handling Giant Hogweed and with the proper personal protective equipment may attempt to remove or otherwise handle it.**

**Would you like to win autographed Sidney Crosby or Alexander Ovechkin Memorabilia?**

**Are you concerned about YOUR Post Secondary Education?**

**Then let Chuck Strahl, Minister of Indian and Northern Affairs Canada (INAC) know by sending us a letter stressing the importance of your post secondary education.**

**Purpose:** The Union of Ontario Indians (UOI) and the Anishinabek Educational Institute (AEI) are looking for Anishinabek Students who are interested in submitting a letter to the Minister of Indian Affairs Canada indicating: the importance of your post secondary education; the successes you have achieved; and, the impact that 'lack of funding' has or will have on your future educational endeavours.

**Who can submit a letter:** Any Anishinabek Student attending or will be attending a Post Secondary Institute (College or University) in September 2010.

**Winners:** The two winning letters will be hand delivered to Minister Strahl. The Education Director will draw to determine which winner will receive the autographed framed photo of Sidney Crosby (Pittsburg Penguins), and the autographed framed photo of Alexander Ovechkin (Washington Capitals). The remaining letters that are submitted will be packaged and forwarded to the Minister on your behalf.

**Letter Criteria:** Letters should be submitted: by one student; be typed (minimum font 10 and maximum font 12); be provided on letter size paper (8 1/2 x 11); include address, dated and signed.

**Letter Content:** Letters should be no longer than one and a half pages in length. The letter should list: the program you are enrolled in and the post secondary institute that you are attending;

You may write about any or all of the following subjects:

- the impact that 'lack of funding' has or will have on your future education,
- the importance of your post secondary studies,
- successes you have achieved in your education and/or as a result of your education,
- importance of the support services that are available to post secondary students and,
- the meaning of education.

**Please no foul language or harassment in your letters.**

**Letter deadline:** Letter must be received by 12:00 pm (noon) on Friday September 10, 2010

**Selection Process:** Letters received will be reviewed by a committee of four representatives. (Sarah General, Chiefs of Ontario; Pam Palmater, Ryerson University; Mindy Taylor & Autumn Watson, Union of Ontario Indians)

## “Not Old Just Mature”

Today at the drugstore, the clerk was a gent.  
From my purchase this chap took off ten percent.  
I asked for the cause of a lesser amount;  
And he answered, “Because of the Seniors Discount.”

I went to McDonald’s for a burger and fries;  
And there, once again, got quite a surprise.  
The clerk poured some coffee which he handed to me.  
He sais, “For you, Seniors, the coffee is free.”

Understand—I’m not old—I’m merely mature;  
But some things are changing, temporarily, I’m sure.  
The newspaper print gets smaller each day,  
And people speak softer— can’t hear what they say.

My teeth are my own (I have the receipt),  
and my glasses identify people I meet.  
Oh, I’ve slowed down a bit...not a lot, I am sure.  
You see, I’m not old...I’m only mature.

The gold in my hair has been bleached by the sun.  
You should see all the damage that chlorine has done.  
Washing my hair has turned it all white,  
but don’t call it gray...saying “blond” is just right.

My car is all paid for...not a nickel is owed.  
Yet a kid yells, “Old duffer...get off of the road!”  
My car has no scratches...not even a dent.  
Still I get all that guff from a punk who’s “Hell bent.”

My friends all get older...much faster than me.  
They seem much more wrinkled, from what I can see.  
I’ve go “character lines,” not wrinkles...for sure,  
But don’t call me old...just call me mature.

The steps in the houses they’re building today  
Are so high that they take...your breath all away;  
And the streets are much steeper than ten years ago.  
That should explain why my walking is slow.

But I’m keeping up on what’s hip and what’s new,  
And I think I can still dance a mean boogaloo.  
I’m still in the running...in this I’m secure,  
I’m not really old...I’m only mature.

# WAUBETEK

BUSINESS DEVELOPMENT CORPORATION

**July 26th, 2010**

To: Band Membership

Band Economic Development Officers

Aanii!! My name is Barret Dokis and I am very pleased to announce that I have recently joined the great team at

Waubetek as a Business Development Officer where I will be providing business development services to the

Waubetek clientele.

I am a graduate of the three year Business Administration Program at Cambrian College where I also served on the

Cambrian Native Students' Association. After graduating from college, I was employed with Gezhtoojig Employment & Training where I was an intern providing Business Advisory Services. My other previous employment includes working for CIBC as a personal loans officer and the Royal Bank of Canada where I was a

Commercial Account Manager. And my most recent employer was the Union of Ontario Indians where I helped

oversee the implementation of the Anishinabek Nation's Economic blueprint. I feel I have a strong professional

background that is really going to help me service not only our business clients, but assist our communities as they

explore new economic development opportunities. I have family ties throughout the Anishinabek Nation including

Wikwemikong Unceded Indian Reserve, Wahnapiatae First Nation, and I am a member of Dokis First Nation.

I've been assigned to the Northeast region of Waubetek's service Area. I will be conducting outreach in the following communities; Wahnapiatae First Nation, Whitefish Lake First Nation, City of Greater Sudbury, Dokis

First Nation, Nipissing First Nation, North Bay, and Temagami First Nation.

If you have any questions regarding the programs and services of Waubetek Business Development Corporation,

Aboriginal Business Canada or any other general business inquiries, please feel free to contact me at the Waubetek

office in Birch Island by telephone at (705) 285-4275 or by e-mail at [bdokis@waubetek.com](mailto:bdokis@waubetek.com).

# Be Sun Safe!

## Practise Sun Safety Year Round

**Reduce sun exposure between 11 a.m. and 4 p.m.** Plan activities before 11 a.m. and after 4 p.m. The sun's harmful ultraviolet (UV) rays are the strongest between these times.

### **Seek out or create shade for outdoor activities**

Trees, umbrellas and shade structures protect against harmful UV radiation. Remember the shadow rule . . . No Shadow, Seek Shade!

### **Cover up with clothing**

Choose loose fitting, tightly woven and light weight clothing. Clothing designed to cover the most skin provides the best protection. Here's a tip: If you raise your clothing up to a light and light passes through, the sun's rays will do the same and expose you to UV radiation.

### **Wear a wide-brimmed hat**

For maximum protection, ensure that the brim of the hat is at least three inches wide, covering your head, face, ears and neck.

### **Protect your eyes**

Ensure that your sunglasses provide 100% UVA and UVB protection. Wrap around sunglasses or ones with side shields are your best choice. The sun's harmful UV rays can damage the eyes and cause cataracts later in life.

### **Apply sunscreen**

[Use a sunscreen](#) with SPF 30 or higher that provides protection from both UVA and UVB rays. Apply generously and evenly to skin 20 minutes before going outdoors. Re-apply every two hours, and more often if you sweat, swim or towel dry. Do not use sunscreen on infants under six months of age.

### **Beat the heat**

Drink plenty of water regularly while outdoors. The combination of high heat and high humidity can be dangerous.

**76,000 Canadians develop skin cancer annually.**

**The good news is that skin cancer is almost totally preventable.**

**Sun Damage Doesn't Go Away . . . It Adds Up!**
