Dear Community Members:

As council portfolio holder that covers Culture/Powwow, I would like to congratulate the Powwow Coordinator—Crystal Osawamick & the WFN Powwow Committee and all volunteers on a job well done on the 2012 Wahnapiatae First Nation Annual Powwow.

Good Job to those who did a lot of hard work such as: the builders; grounds workers; all the regalia makers, the regalia teacher/helpers; the flag carriers; Elders & fire keepers; the young & older dancers; the cooks (WFN booths); security & the clean up crew; the registration / fundraising volunteers; those who donated for the giveaway and those members who came out danced, visited and brought other family/friends to the community. The fireworks show was spectacular as an added bonus to the traditional powwow.

The grounds looked awesome with the tipis, the arbor, MC booth, Elders seating and with the newest addition of the enclosed sacred fire area

We enjoy the powwow from within the community but others come from far distances. It makes me proud that so many people can enjoy Wahnapiatae hospitality and have great times at our powwow.

This is community spirit at its finest and I am glad to be a part of the community and the powwow. On behalf of Chief and Council, well done! The powwow success and all the hard work did not go unnoticed.

Miigwech,

Larry McGregor, Councillor

Waste Diversion Regulations MEETING:

For Residents

September 11, 2012
6:00 p.m. @ Firehall

Please join us in discussing the new regulations for the landfill and our waste diversion programs!

Waste Diversion Regulations MEETING:

For Business Owners
September 11, 2012
1:00 p.m. @ Firehall

ATTENTION: ON-RESERVE RESIDENTS
Re: NEW Waste Diversion Regulations

Ahni!

The Wahnapitae First Nation Department of Sustainable Development would like to invite all on-reserve residents to a meeting to be held on September 11, 2012 at 6:00 p.m. at the Firehall to discuss the NEW Waste Diversion Regulations.

The regulations have been developed to support our Waste Diversion Strategy and to help us reach our identified goals. Waste Diversion efforts extend the longevity of our landfill and minimize our environmental foot print. We are very excited about are Waste Diversion efforts and are happy to share our thoughts on waste management and environmental protection.

We hope that you can join us! I have attached a copy of our NEW Waste Diversion Regulations so that you can review prior to our meeting. A copy of our Waste Diversion Strategy can be viewed at <http://www.wahnapitaeirstnation.com/sustainable-development/waste-diversion.html>. If you have any questions, or to confirm your attendance, please contact myself at 705-858-0610 or via email at Cheryl.recollet@wahnapitaeirstnation.com.

Wahnapi'tae First Nation Waste Diversion Regulations

Adopted by Band Council Motion: # _____
At the Chief and Council Meeting of: _____

1.0 INTRODUCTION

- 1.1 Wahnapi'tae First Nation implemented Waste Disposal and Landfill Site Regulations on February 4, 2003 through Band Council Motion # 03/10. These regulations have been integrated into these WFN Waste Diversion Regulations.
- 1.2 Wahnapi'tae First Nation recognizes the importance of environmental stewardship and believes that proper environmental management and mitigation are integral to the success of the community.
- 1.3 Wahnapi'tae First Nation has developed a Waste Diversion Strategy to guide the effective disposal of generated waste in the spirit of environmental stewardship and in hopes of extending the life of the landfill.
- 1.4 Wahnapi'tae First Nation regulates waste diversion activities within the Wahnapi'tae First Nation including the collection, removal and disposal of household waste, recyclables, and organic waste within the Wahnapi'tae First Nation in order to support goals and objectives identified within the Waste Diversion Strategy.
- 1.5 Wahnapi'tae First Nation has entered into a Recyclables' Acceptance Agreement with the City of Greater Sudbury and must abide by all recycling regulations associated with the City of Greater Sudbury and identifies cost per tonnage.
- 1.6 No individual shall throw, place or deposit any solid waste on any private property, or any Band owned property within the Wahnapi'tae First Nation, unless designated as at specific landfill sites. Illegal dumping will be subject to enforcement through these regulations.

2.0 DEFINITIONS

Recyclables: *Waste materials that can be diverted to a Recycling Centre, includes; Corrugated cardboard and pizza boxes, Box board, Newspaper, magazines, catalogues and junk mail, Household Paper, Plastics, (#1, #2, #4, #5, and #6), Plastic bags, Clear and coloured glass bottles and jars, Milk and juice containers/cartons, Egg cartons, Aluminum and steel cans, aluminum foil, pie plates and trays, Empty paint cans and aerosol cans, and cardboard cans.*

Household Waste: *Includes garbage, liquid and semi-liquid substances, land-fill and scrap of all kinds and combination of any of the foregoing that are not commercial waste, recyclable, or compostable*

Kitchen Organics: *Includes; all food items such as fruits and vegetables, meats and fish products/bones, cooled grease and fats, sauces and gravy, dairy products, breads and grains, baked goods and ingredients, pasta and rice, eggs and eggshells, nuts and shells, coffee grounds/filters/tea bags, as well as Non-Recyclable Paper Products including muffin paper cups, freezer and waxed paper, tissues/napkins/paper towels, paper plates/cups/takeout containers, waxed cardboard, ice cream cartons, sugar/ flour/potato/popcorn bags, as well as other compostable materials such as household plants and soil.*

Curbside Collection: *Collection, handling, transportation, storage or transfer of household waste and/or kitchen organics collected at residential curbsides by the Wahnapiatae First Nation's Waste Diversion Technicians*

Residential: *Establishments such as homes or apartment buildings, registered with Wahnapiatae First Nation*

Business/Commercial: *Means waste from:*

- a) an enterprise or activity involving warehousing, storage or industrial, manufacturing or commercial processes or operations*
- b) research or an experimental enterprise or activity*
- c) an enterprise or activity to which clause (a) would apply if the enterprise or activity were carried on for profit,*
- d) clinics that provide medical diagnosis or treatment,*
- e) schools, laboratories or hospitals, or*
- f) a facility or vehicle owned or operated by a reserve*

Business Owner: *Any Wahnapiatae First Nation Band Member who owns and operates an on-reserve commercial entity.*

3.0 RESIDENTIAL SERVICES

3.1 Wahnapiatae First Nation will provide a system for the weekly curb-side collection of recycling, kitchen organics and house hold waste to all residents.

3.2 The Wahnapiatae First Nation will provide monitored access to the Wahnapiatae First Nation landfill site during designated hours in order to enhance environmental monitoring and protection initiatives.

- 3.4 Residents of Wahnapiatae First Nation are required to place their recycling, organics and waste receptacles at the end of their driveways by 8:00 a.m. on the designated days identified by the Wahnapiatae First Nation curbside pickup schedule.
 - 3.5 Wahnapiatae First Nation will pick up recyclables at the curbside every Tuesday morning for residents. Recyclable materials must be placed loosely (not in bags) within the blue box. Only acceptable recyclable items will be picked up, please see the WFN Recycling Guide for further details regarding accepted recyclables.
 - 3.6 Wahnapiatae First Nation will pick up household waste at the curbside every Thursday morning. Household waste should be placed in a black garbage bags or garbage bins. Clear bag programs may be implemented in the future, as per the Waste Diversion Strategy.
 - 3.7 Wahnapiatae First Nation will provide curbside composting pick-up services of kitchen organics through the use of the Green Cart. Residents can place their green carts at the curbside on Tuesday and Thursday mornings.
 - 3.8 No person shall throw, place any solid waste on any private or Band owned property within the Wahnapiatae First Nation.
- 4.0 COMMERCIAL SERVICES
- 4.1 The Wahnapiatae First Nation recognizes the importance of on-reserve business development and encourages businesses to support waste diversion activities within the Wahnapiatae First Nation.
 - 4.2 The Wahnapiatae First Nation will not provide curbside recycling, kitchen organics, or waste pickup for businesses.
 - 4.3 On-reserve businesses will be required to implement recycling programs for their respective businesses consistent with the Wahnapiatae First Nation Waste Diversion Strategy. Businesses will be required to bring their recyclables to the Recycling trailer prior to Tuesday mornings. There is no cost for businesses to bring their recyclable material to the WFN recycling trailer/depot.
 - 4.3 On-reserve businesses are encouraged to implement organic waste programs such as composting. The WFN Sustainable Development department will provide information to businesses who are interested in starting up these programs. There is a segregated area within the WFN landfill for organic kitchen waste. There is no cost for businesses to bring their kitchen organics to the landfill site.
 - 4.4 Pay-As-You-Throw System - On-reserve businesses will be subject to the Pay-As-You-Throw system and will be subject to a \$0.50 charge per bag for garbage delivered to the Household Waste Landfill Site.

- 4.4.1 In order to encourage waste diversion activities, businesses will be subject to a fee (\$0.50) per bag for the amount of garbage delivered to the landfill site. Punch cards can be purchased at the Band Office for \$50.00 which give the business 100 bags of garbage plus 7 free bags.
- 4.4.2 The Business Owner is responsible for the removal and delivery of waste to the Wahnapiatae First Nation Landfill site during designated hours.
- 4.4.3 Only the business owner or one (1) designated individual will be granted access to the landfill site.
- 4.4.4 The owner or individual will be required to show their landfill punch card to the Waste Diversion Technician upon entry into the landfill. The Waste Diversion Technician will tally up the number of bags and punch the card for that amount.

5.0 HOUSEHOLD WASTE LANDFILL SITE MANAGEMENT

- 5.1 The Wahnapiatae First Nation operates a monitored landfill site that is accessible to community members and business owners during the designated landfill hours for the disposal of regular household waste located on Taigwenini Trail Road.
- 5.2 Upon entering the landfill site, all individuals will stop and see the Waste Diversion Technician. The technician will examine what items are being delivered to the landfill and provide direction as to where to place these items.
- 5.3 Objects that are not accepted for disposal at the landfill include:
 - ◆ Dangerous, hazardous or Toxic Waste including acute hazardous waste, chemical hazardous waste, chemical corrosive waste, hazardous industrial waste, ignitable waste, PCB waste, radioactive waste, reactive waste, severely toxic waste or leachate waste.
 - ◆ Pathological waste including any animal or human organ or part thereof, bone muscle or other animal or human tissue or part thereof, used bandages, poultices or dressings, medicines, vitamins, drugs or vaccines, needles, syringes, or lancets, vials, or any other material or substance which contains or may contain pathogenic micro-organisms, anything designates as pathogenic material.
 - ◆ Any waste in liquid form.
 - ◆ Manure
 - ◆ Any other item designated as prohibited waste by the Chief and Council.
- 5.4 Only garbage generated within the boundaries of the Wahnapiatae First Nation will be deposited and the WFN landfill site.
- 5.5 Tipping Fee – There will be a \$25.00 tipping fee on truckloads (1/2 tonne truck) of waste such as construction waste, yard clean up etc. (not including garbage bags from business/residential), invoiced to the individual.
- 5.6 No person shall light any fires at the landfill sites.

- 5.7 No person shall conduct salvage or scavenging activities without prior approval of the Waste Diversion Technicians.
- 5.8 All persons using the landfill sites in the Wahnapiatae First Nation must dispose their refuse in the designated areas as determined and directed by the Waste Diversion Technicians.

6.0 STUMP DUMP SITE MANAGEMENT

- 6.1 The Wahnapiatae First Nation operates a stump dump landfill site for trees and leaves located on Loon Way Road.
- 6.2 This site has restricted access and must be accessed through the household waste landfill site in discussion with the Waste Diversion Technicians.
- 6.3 The stump dump site is available to all WFN members and business owners.
- 6.4 Tipping Fee – There will be a \$10.00 tipping fee on truckloads (½ tonne truck) of tree and leaf waste for WFN residents and businesses and \$20.00 for any other vehicle whose size is in excess of ½ tonne truck.

7.0 WASTE DIVERSION SPECIALS

- 7.1 The Wahnapiatae First Nation will provide specialized areas to deposit waste that can be further recycled.
- 7.2 Waste Diversion Specials include: Electronics, Tires, and Liquid Special Waste.
- 7.2.1 E-Waste Collection – The Wahnapiatae First Nation will hold annually e-waste collection events that will collect all used electronics and divert them out of the landfill and send them for recycling through the Ontario Electronics Stewardship.
- 7.2.2 Tire Collection – The Wahnapiatae First Nation will provide a segregated area within the Household Waste Landfill Site for the recycling of used tires. This program is coordinated with the Ontario Tire Stewardship.
- 7.2.3 Special Waste – The Wahnapiatae First Nation will effectively manage and store Special Waste and have it removed and recycled. Special waste includes: used oil, antifreeze, paint etc.

8.0 VIOLATION OF REGULATIONS

- 8.1 Any person who contravenes these regulations will:
- a) Be charged for any cost incurred in correcting the infraction; and or
 - b) Be charged a minimum fee of:
 - i) \$500.00 for a first offence;

- ii) \$1000.00 for a second offence;
- iii) \$2000.00 for a third offence.

9.0 ENFORCEMENT

9.1 These regulations are enforceable through the Wahnapiatae First Nation Administration, Waste Diversion Strategy and subject to penalties through the Anishinabek Police Service.

10.0 AMENDMENTS

8.1 These regulations may be amended from time-to-time by Chief and Council.

11.0 REVIEW

11.1 These regulations will be reviewed periodically by staff and Chief and Council.

Bottle Drive—August 20, 2012	\$ 100.80
Bottle Drive—August 21, 2012	\$ 33.70
Total Fundraised	\$ 2774.60

For our end of summer trip we went to Bracebridge, ON on August 22&23, 2012. The children & parents enjoyed Santa's Village; Sportsland; Eaglecrest Aerial Park; bowling and swimming. The funds were used to cover hotel room costs at \$1690.00 and \$1000 (\$50 each child) toward fun/meal/incidental costs during our trip. The remainder will be used toward future youth activities.

Miigwech / Thank you!

👍 Special thanks goes out to: Summer Day Camp Students—Marnie Anderson; Erika Golan; Amanda Armstrong; Alex Perras; Also Admin. summer students: Stephanie Beauchesne & Rebecca McGregor, Day Camp Volunteer—Haley McGregor for assisting with all of the fundraisers for the Summer End trip. Great job 2012 students you all did a super job with the Day Camp as well!!

👍 Chi-Miigwech to Erika & Wendy Tyson who organized & cooked yummy tacos for the taco sale on August 8, 2012 and had them delivered.

👍 Thanks to all of the families and companies/organizations that donated items for our penny table. Without these the penny sale would not have been so successful. Some of the donors include:

- Science North
- Scholar's Choice
- Cambrian College Native Student Association
- Travel Lodge
- Swiss Chalet
- Red Lobster
- Metro
- 3 Sister Accessories
- Rainbow Cinemas
- Wendy Tyson
- Debbie Plain-McGregor
- WFN Health Dept
- WFN SD Dept

👍 Great Job Marnie for collecting so many donations!! The Youth Spaghetti Fundraiser / Bake Sale / Penny Sale on August 16, 2012 was a huge success.

👍 Miigwech to Marnie Anderson; Erika Golan; Christine Burke & the youth/parents who

sold tickets for the Art Raffle. The winner of the raffle was Tina Desjardins of Hanmer, ON. Chi-Miigwech again to www.Max-Wear.com for the generous donation of the artwork which is valued at \$450.00.

Art Mural donated by Max-Wear won by Tina Desjardins of Hanmer

👍 Thanks go out to the YOUTH & PARENTS that helped sold tickets, baked, collected bottles, cleaned and contributed during July and August. It was a busy summer.

👍 Miigwech to the Summer Day Camp volunteer—Haley McGregor. Haley did an awesome job helping with the summer daycamp all summer. She put in hours just as the summer students and all volunteer. She was really great with the children and organizing, cleaning, helping, craftmaking. She has great skills to add to her resume. Excellent job

Haley!

Sincerely on behalf of myself and the youth
Chi-Miigwech,
Debbie Plain-McGregor

2012/2013 Milk Program

Attention WFN Parents:

The National Child Benefit Program is available to students/families for the 2012/2013 fiscal year. The Milk Program is to assist with the purchase of milk for your child that attends school in the 2012-2013 school year.

If your child's school has a milk program and you wish to participate, please let Debbie know by calling 705-858-0610 ext. 117. You can be reimbursed for costs for this fiscal year (to March 31, 2013). Costs beyond this date are dependent on funding for the next fiscal year (April 1, 2013—March 31, 2014).

If you have any questions, regarding the program, please call or email at: debbie.pmcgregor@wahnapietaefn.com.

Thank you / Miigwech,
Debbie Plain-McGregor

Funding for the Milk Program is provided by:

National Child Benefit

HEALTH HAZARD ALERT

Certain CATANIA brand MANGOES may contain *Salmonella Braenderup* bacteria

[Food Safety Investigation - Salmonella in certain mangoes](#) |

OTTAWA, August 31, 2012 - The Canadian Food Inspection Agency (CFIA) and M.L. Catania Co. Ltd. are warning the public not to consume the Catania brand mangoes described below because they may be contaminated with *Salmonella Braenderup* bacteria.

The affected product, Daniella brand Mango packed by M. L. Catania Co. Ltd., was sold in a 6-pack plastic clamshell bearing UPC 0 61968 61603 0 and a Pack date. All Pack dates from 12 JL 19 to 12 AU 21 are affected by this alert. This product was repacked using Daniella brand mangoes implicated in other recalls. The original Daniella brand sticker may or may not be present on each individual mango.

This recall is part of an ongoing food safety investigation.

There have been several confirmed illnesses associated with the consumption of Daniella brand mangoes.

The Daniella brand Mango packed with Catania label has been distributed in Newfoundland and Ontario, and may have been distributed in other provinces.

Message to Daycamp Students

On behalf of the youth in the Summer Day Camp and myself I would like to thank our Summer Student—Marnie Anderson, and Day Camp Leaders—Amanda Armstrong and Alex Perras. Haley McGregor was our “awesome-est” volunteer who was here helping all summer and put in just about as much time as our students. Also thanks to Erika Gollan, Rebecca McGregor and Stephanie Beauchesne for your time helping out. They did a great job and the youth had a busy and fun summer. All of the activities and out-

ings worked out with all your hard work. All the best in the coming school year! Debbie, Child & Youth Worker
