

# WAHNAPIITAE FIRST NATION

## Passenger Vehicle Use Policy

Adopted by Band Council Motion: WFN-21/22-09-101  
At Chief and Council Meeting on September 28, 2021

## Wahnapiatae First Nation Passenger Vehicle Use Policy

This policy was adopted this 28<sup>th</sup> day of September, 2021 by BCM # WFN-21/22-09-28 at a duly convened Council meeting.

### **Policy Intent**

Wahnapiatae First Nation (WFN) is committed to the safety and well-being of its employees and has adopted this policy to assist them in the safe, accident-free operation of First Nation owned passenger vehicles. It is expected that employees will operate company vehicles with care, due diligence, and safety in mind. For our part, WFN will strive to ensure that our employees are provided with vehicles that are safe and are appropriate for the task at hand.

**Completion of reports and logs are mandatory, including any specific inspection logs for the vehicle, which are included in the vehicle binders.**

### **Policy and Procedure**

#### Vehicles

Wahnapiatae First Nation vehicles shall contain:

- Vehicle registration card
- Proof of insurance card
- Commercial Vehicle Operators Registration
- Vehicle accident/incident report forms (Appendix A)
- Pre-Use Inspection Checklist (vehicle specific, Appendix B)
- Roadside Safety Kit
- Mileage Log Sheet (Appendix C)

#### Use Protocol

- All vehicles must be signed out
- All vehicles being signed out must have department director approval
- All band vehicles must remain in the Centre of Excellence parking lot when not in use with exception to specific departmental requirements.
- The vehicles are not to be used for personal purposes.

#### Authorized Use

- Wahnapiatae First Nation vehicles shall be used by authorized employees only, with the exception made for repair testing by a mechanic. Authorized employees will be those currently employed and new employees in possession of a valid Ontario drivers license appropriate for the vehicle, and a good driving record.

- Wahnapiatae First Nation shall obtain motor vehicle driving records of employees to ensure clean driving records. Employees with poor driving records shall not be authorized to operate Wahnapiatae First Nation vehicles.
- Non-employees are prohibited from operating Wahnapiatae First Nation vehicles; exceptions will be made in the case of emergencies.

### Vehicle Maintenance

- Wahnapiatae First Nation believes that proper vehicle maintenance is important to the safety of our employees and will increase the lifespan of the vehicle.
- Maintenance work required for the regular operation of the vehicle (oil change, washer fluid, etc.) shall be the responsibility of the driver. Any major repairs or other maintenance should be brought to the attention of the departmental director. Preferred vendors list Appendix F.
- Vehicles should be kept clean, and free of debris always.
- In the event of out-of-town vehicle incidents, please refer to roadside assistance information, located in the front of the vehicle binder. Employees are also required to notify the departmental director.
- Cleaning kits are located at the Centre of Excellence and are to be picked up before each run and returned once the run is complete. They cannot be left in the vehicle.

### Employee Expectations

- Obey all rules and regulations as established within the Highway Traffic Act.
- Provide expense reports for any incidental, necessary costs incurred as a function of conducting business on behalf of WFN.
- Smoking is prohibited in Wahnapiatae First Nation vehicles.
- Eating while driving is prohibited in Wahnapiatae First Nation vehicles.
- Employees shall assume sole responsibility for any tickets (traffic or parking) incurred.
- Employees must report any ticket violations incurred while on Band business to their Director upon return to the office.
- Any employee who has his/her driver's license revoked or suspended shall notify their Director immediately. In this event, the employee shall immediately cease any operation of Wahnapiatae First Nation vehicles. Failure to do so may result in discipline up to and including termination.

**Accident Reporting**

- Call for medical assistance if required.
- Regardless of the severity of the accident, it must be reported to the police.
- Provide the other party with your name, address, driver's license number and insurance information.
- As soon as possible, complete the vehicle accident report that is provided in vehicle binder and bring to your director.
- Do not discuss the accident with anyone at the scene of the accident other than the police. Do not accept any responsibility for the accident. Do not argue with anyone.
- In the event of any accident, a formal review shall be conducted to assess employee involvement, and any preventative measures that may have been taken to avoid it.

**Acknowledgment and Agreement:**

I, \_\_\_\_\_, acknowledge that I have read and understand the WFN Passenger Vehicle Policy, and I agree to adhere to this Policy in its entirety. I understand that if I violate the rules set forth in the Policy, I may face legal, punitive, or corrective action.

APPENDIX B

**Daily Vehicle Inspection Checklist**

**Instructions**

Wahnapitae First Nation employees are required to complete a copy of this form prior to the operation of any WFN owned and operated vehicle. Completion of this form prior to operation is critical in the identification and avoidance of potential vehicular malfunctions/defects that may create potential health and safety issues. This form must be submitted to WFN Receptionist before leaving WFN premises.
